

# HALLOWEEN

I have put this spread together, not only to celebrate a colourful and enjoyable event, but also to pay tribute to Tim Samuel who took all the photographs on these pages.

He is, as you can see, a very competent photographer but, more than that, he is also always very willing and more than happy to get involved. I once said to him "Tim a question . . ." and he immediately replied, "Whatever it is the answer is yes."

He is also responsible for quite a few other photos in this book and I can honestly say it would not have been the same without him. I am sure that I'm not alone in hoping that we can continue to enjoy the fruits of his labours for a long time to come.
