

YEAR 1

Luckily **Year 1** have been able to link lots of their work, basing it around one of their curriculum topics.

Earlier in the year, they looked at Van Gogh's paintings, inspiring them to paint their own. They were also able to use the paintings to produce descriptive writing in literacy, labelling diagrams in Science and looking at conditions for growing their own plants.

Their trip to San Pedro Arts Café was an enjoyable conclusion to learning about Houses and Homes and Materials. Many children loved creating their own Hundertwasser inspired clay tile and learnt where the clay came from and why it was a good material to use.

In the summer term, they have enjoyed inviting Barnaby Bear into their classroom. He has accompanied children to various world wide location, but really appreciated a trip to the beach where he could practice phonics with the rest of Year 1.

Barnaby Bear's holiday news *Valeria*

On the first day, Barnaby read a book.	Barnaby helped Miss Amy to put some clothes.	Barnaby went to the sun and he was very cold very hot.	After a busy day Barnaby went to sleep.

Barnaby Bear's Holiday news *Jaime E*

On the first day he read a book. It is so good that he reads all the time because he is still learning.	Barnaby helped Miss Amy to drop the coats.	It was a hot day and I like the sun.	After a busy day he went to bed.
