

Reception

The Very Hungry Caterpillar

This year's Reception class has continued with the ethos of Child Centred learning where the children are immersed in the task of learning on a practical level. During this year, children will become literate in English, Spanish and IT as well as numerate. This approach ensures the foundations are laid for their coming time in Key Stage 1.

This year we have used a variety of popular traditional stories to base our topics around. We have had fun building structures in the Builders Yard, Blowing down the Three Pigs houses, exploring growth, food and healthy eating. We very much enjoyed our trip to the garden centre and continued this into the classroom through Literacy and outdoor play.

Our Knowledge and Understanding has been further developed through our exploration of animals, plants and their habitats. We made links with Year 4 allowing the children to show their creative skills at different levels. All of these areas are enhanced through our creative work using a variety of media culminating in our assembly at the end of the year. Hooray!

Thursday my big brother
 went to see Mr. on Friday
 we went to the shop and
 we had fun in the shop.
 A Saturday I was to see
 my grandma and we had
 a party. I was to see my
 grandma and we had a party.

It was Renin and then there
 was a Rembo ^{rainbow} the butfo
 can and ^{our} era show.
 The Toucan peckt the
 sayd ^{side} dooin ^{rhythmic} Rivnepecks.
 The ELLfint ^{dipped} trees
 trunks in the ^{sea} Sij rediy
 weeeee.
 The monciys ^{screached} saricht out
 meg wiys ^{be} frogs spran ^{out} zlof. ^{Alinks on ball}
