

Germany

YEAR 7 & 8 TRIP

"The white water rafting was great. An unforgettable experience."
Elliot Dib - Year 9

"I loved the rafting because we were allowed to do back-flips off the front of the raft."
Zino Versluys - Year 8

"Germany was the best trip I've been on in EIC. I really enjoyed the experience."
Alex Pemberton - Year 8

"The trip was amazing! Out of this world! I was surprised the school would let us do things like rafting, biking, the roller coaster and climbing. It was fantastic. Thanku."
Alex Laliberte - Year 8

"I thought the trip was excellent. I can't wait until next year."
Yasmin Wright - Year 8

"I enjoyed the trip. It was brilliant! I particularly enjoyed the Alpine Coaster and the white water rafting."
Sam Scott - Year 9

"The best activities were rafting and climbing."
Bryan de Bruyne - Year 8

"The white water rafting was so amazing. We got dressed in our ultra-tight wet suits - we looked really stylish. Georgia and I tried hard and were really synchronised whilst Marion and Maneli behind us were crashing into our paddles every 10 seconds."
Daniella Franken - Year 9

"It was great in Munich to feel the World Cup buzz around the place. I was interviewed for TV."
Conor McCarthy - Year 9

"I can't help but laugh when I remember flying round to the other side of the wall when rock climbing. Daniella and Georgia were too busy laughing to let me down. All of us Year 9s made friends with some of the Year 8s which was good. Overall, the trip was a great experience and lots of fun."
Maneli Golbacheh - Year 9

"Kind people, interesting accents, beautiful scenery: I'll definitely return"
